May 20th, 2020 - if i were to simply rate dorothy rhoads 1956
the corn grows ripe one of the newbery honours for 1957
uncritically and as a story in and of itself i most probably
would be considering a high three star ranking but most
definitely not as yet four stars as aesthetically speaking jean
charlot s accompanying illustrations are just not all that visually
pleasing to and for my eyes'
