May 29th, 2020 - one of the most important easy make up tips and tricks for busy women is applying the right lipstick lipstick make up is a different art and when done in detail requires a lot of time and effort however you can also achieve a simple yet elegant look by keeping it simple choose the right shade of lipstick with a shimmer to make your lips'

**'the best makeup tips for
women over 30 purewow
May 27th, 2020 - start with the
right primer all primers will
smooth over fine lines and
create an even base for your
makeup but one with light
reflective particles will also
make your complexion glow before
you apply foundation look for a
yellow toned foundation
regardless of your skin tone
using a base with a tint of
yellow can warm up the skin
and warmer skin like when you
ve gotten a bit of sun"beauty
