**'summary and review of james mann s rise of the vulcans
May 2nd, 2020 - rise of the vulcans is an excellent fascinating
account of the backgrounds of the six principal foreign policy
advisers of president gee w bush there are many insights in
the book but one wonders how prehensive the author s
perceptions are when he pletely missed the connotation of the
name vulcans according to mann the name arises because
there is a fifty six foot statue of the roman god vulcan
overlooking the downtown of the steel city of birmingham
alabama the town where'**
