**reviews atlas of clinical**

October 2nd, 2019 - the only  
downsides of this book as far as i  
m concerned are as mentioned by  
others 1 the binding is definitely  
not sturdy enough for the size of  
the book 2 the cd rom is not well  
anized for looking up images i e  
the descriptions are often not  
correctly tied to the search  
engine and 3 the price although  
not much different from a lot of  
other similar books'
