May 26th, 2020 - after being soundly thrashed by the hero emilia the devil king and his general beat a hasty retreat to a parallel universe only to land plop in the middle of bustling modern day tokyo lacking the magic necessary to return home the two are forced to assume human identities and live average human lives until they can find a better solution and to make ends meet satan finds gainful'

'the devil is a part timer vol 2 light novel review

May 8th, 2020 - the devil is a part timer continues to be a hilarious story with this volume effectively transitioning into more of a slice of life story while the fish out of water edy that was predominately featured in the first volume is still present and entertainingly used in this volume a larger degree of the laughs now es from character driven humour'
