May 20th, 2020 - in now what a math tale puppy gets out a bag of blocks to apparently play with however the little dog really isn't
interested in playing with the blocks but wants to use them to make something to lay on through counting corners and describing the shapes
puppy slowly builds a bed to rest upon''**whatever happened to new math american heritage**

May 25th, 2020 - ironically new math's most lasting impact might be that of a cautionary tale as today's curriculum reformers begin again
this time from the teachers up not from the universities down would beberman and begle have applauded today's attempt to make math less
abstract more meaningful and more egalitarian by creating a single core curriculum that appeals to all''
