betty degeneres biography facts childhood family life

*June 5th, 2020 - in 1999 degeneres published her first book
love ellen a mother daughter journey the book told the
story of how her life was transformed after her daughter
revealed her sexual orientation she explained how hard it
was for her to accept the fact that her daughter was not
going to get married like other girls'*

'best mother and daughter quotes tech junkie

**June 7th, 2020 - a mother is the daughter s spine she
always supports her and a daughter is the mother s blood
which makes her strong because mothers and daughters can
affirm and enjoy their monalities more readily they are
more likely to see how they might advance their individual
interests in tandem without one having to be sacrificed for
the other'**
