today' 'customer reviews
lego minifigure year by
year

September 26th, 2019 -

this book proclaims
itself a year by year
visual history of lego
minifigures from 1974

through 2013 in my eyes
lego minifigs are tiny
works of art classics
of minimalist design
where a few deft
strokes of pen and
brush depict an
amazingly broad range
of facial expressions
and pellets of styrene
are formed into hats
crowns weapons
lunchboxes hairpieces
capas and so much more'
