street wiki fandom**

May 30th, 2020 - viewing  
figures are the number of  
viewers or households  
watching a television  
programme at any given time  
such figures are vital to  
mercial anisations such as  
itv as they are the basis on  
which they charge other  
panies for advertisement  
slots although they are just  
as important to the bbc in  
that high audience figures  
remain an important  
political argument for the  
justification and'
