'Les Culs Nus Spot Guide Surf Forecast and Report

May 3rd, 2020 - The link between the normal beachbreaks to the north and the heavy shories of La Graviere Usually better at mid to high tides with a moderate swell because of the steeper beach angle Powerful action close to shore Spends small summer swells dormant so only scores a 6 for consistency and about the same for crowds The limited roadside parking beware soft sand long slatted dune"**Lafitenia Spot Guide Surf Forecast and Report**

May 1st, 2020 - A beautiful righthand pointbreak plete with steps in the steep take off that leads into a long wall and occasionally hollow inside section After the excitement of the first steep section the wall fattens up and allows repetitive cutbacks into the hook before the final race to the shorebreak close out Frequentated by multi ability

surfers on various craft it s a fairly friendly wave'
