topical bible nile

*June 1st, 2020 - the ancient egyptians
were right in calling all the waters of
egypt the nile for wherever water is
obtained by digging it is simply the nile
percolating through the porous soil this
percolation is called the infiltration of
the nile it always extends as far on
either side of the nile as the level of
the water in the river at the time will
permit'*
