## **insight**

**April 15th, 2020 - insight  
traveled 483 million km 300  
million mi during its journey  
insight s objectives are to  
place a seismometer called seis  
on the surface of mars to  
measure seismic activity and  
provide accurate 3d models of  
the planet s interior and  
measure internal heat flow using  
a heat probe called hp 3 to  
study mars early geological  
evolution''i4 insight home**

*May 28th, 2020 - the silo  
approach deprives you of the  
time and money you need to pete  
but the digital evolution that  
is underway unlocks new  
opportunities to achieve new  
levels of business performance  
by leveraging the systems you  
have in place as well as any  
future implementations when they  
are deployed on the i4 insight*

---

*platform'*

'saskia de brauw on the  
respective power of sight and  
insight

April 23rd, 2020 - on sight and  
insight a journey into the world  
of blindness is dark in every  
sense it s not a beautiful story  
he s struggling even to stay  
awake but it s very beautifully  
written there are passages about  
turning off the senses to focus  
on what is happening inside  
creating a new relationship with  
the outside world'

'cries from the cross a journey  
into the heart insight

May 24th, 2020 - inside the  
pages of cries from the cross  
erwin lutzer challenges each one  
of us to embrace the cross not  
just as our means of salvation  
but as a way of living you ll  
discover that the part of the  
cross we refuse to carry is the  
part that makes us ineffective  
for the kingdom of god'
