english translation for the first time  
bowstring is a seminal work in  
which shklovsky redefines  
estrangement ostranenie as a  
device of the literary paratist the  
person out of place who has turned  
up in a period where he does not  
belong and who must search for  
meaning with a strained sensibility  
as shklovsky experiments with  
different genres employing a  
technique of textual montage he  
mixes autobiography biography
