'identity crisis ic book tv tropes

January 3rd, 2020 - so in the end where the crisis and zero hour were large crossovers that involved retconning and large gigantic battles identity crisis was much more low key being a quieter crossover that was instead a murder

mystery however that is why fans would point to this book if a new reader ever asked for a good starting point to get into the dcu the retcons were smaller but a little obvious*"identity crisis by brad meltzer goodreads*

*May 24th, 2020 - identity crisis is probably one of the most baffling event books i ve ever read by turns it s unintentionally funny confusing and ultimately pointless at its core it is a deeply cynical story and seems to be dc s attempt at watchmen ifying the dcu and utterly failing"***identity crisis princeton university press**

May 29th, 2020 - as documented in identity crisis an important new book analyzing the 2016 election what distinguished trump voters wasn t financial hardship but attitudes related to race and ethnicity paul krugman new york times i think it is without doubt the most important most illuminating book written on the 2016 election'
