May 25th, 2020 - It's time to get ready to quake in fear with this revised and expanded edition of our history of horror cinema. This chilling volume packs 640 pages full with the finest slashers, ghosts, zombies, cannibals, and more, curating the very creepiest screen creations from the flickering spooks of the 1920s to the special effect terrors of the 21st century. It's a journey across 10 illustrated chapters, from the pendulum

'from grindhouse cinema to invasion narratives, horror in April 27th, 2020 - horror has always been one of cinema's most beloved genres, with each decade reflecting the times in which they are produced. Perhaps more visibly than most of its contemporary counterparts, this thematic saliency prominently emerged in North American horror cinema in the 1950s as the Cold War accelerated.
