June 2nd, 2020 - andrew mcconnell stott s what blest genius the jubilee that made shakespeare is a wonderful entertaining work that i suspect will appeal to admirers of the bard even though in my opinion it is maybe a third too long reading it i sometimes imagined that the tale would have made a better piece in the new yorker still it s not so long as to be tedious just a tad too wandering into irrelevant detail having the appearance of simply adding sufficient bulk to achieve 187 pages of text'
