May 25th, 2020 - what is codependency

codependency is a term that isn't in the DSM because it's not a diagnosis. It is a term that's used very frequently in the realm of psychology. Codependency has a broad definition, however, the best way to describe it in layman's terms is that it's a type of relationship where two people are intertwined.

'How to tell if a narcissist loves you: what is codependency'

June 1st, 2020 - real love is not romance and it's not codependency. For Aristotle and St. Thomas Aquinas, it's to will the good of another. In the psychology of romantic love, Nathaniel Branden states that to love a human being is to know and love his or her person. 1980 p'

'r codependency: me to me when I want to ask my husband'

May 12th, 2020 - omg he expects me to do it. It's part of our dynamic. He will hug me and say thank you for stepping in, but other times he will lash out at me saying that I'm meddling, I'm being passive-aggressive, and that I better back off. This attitude of over-reaching and being too responsible is the third feeling of codependency.'
