May 26th, 2020 - ms
casey is terrified at the
thought that she might
be a multiple i decided

not to force a discussion of the diagnosis until i am more certain myself of how to deal with this my patient requires unquestioned support far more now than she needs debate over a particular psychiatric label but as soon as i

made that decision ms
casey presented her
multiplicity in a more
florid way"**the flock**
