lean

manufacturing

production vs

lean enterprise

lean

manufacturing or

lean production

is a system of

techniques and

activities for

running a

manufacturing or

---

---

service  
operation the  
techniques and  
activities  
differ according  
to the  
application at  
hand but they  
have the same  
underlying  
principle the  
elimination of  
all non value  
adding  
activities and  
waste from the  
busine
