Practice GPP in Community
and Hospital**

December 5th, 2017 - Good

Pharmacy Practice is a means of clarifying and meeting that obligation This document is to encourage national pharmaceutical organizations to focus the attention of pharmacists in the community and hospital pharmacy sector on developing the elements of the service they provide to meet changing circumstances"3GPP

Wikipedia

July 14th, 2018 - 3GPP

standardization encompasses Radio Access Network Once a release is frozen only essential corrections are allowed i e addition and modifications of functions are forbidden Freezing dates are defined for each stage The 3GPP specifications are transposed into deliverables by the Organizational Partners Deployment 3GPP systems are deployed across much of the established GSM'
