'Women in the Qur'an: An Emancipatory Reading

April 20th, 2020 - Women in the Qur'an: An Emancipatory Reading is exactly what its subtitle promises an emancipatory reading of the first and main source of Islam. It begins with a gender perspective that identifies the keys contained in the Qur'an that enable the development of a narrative to support feminist activism and an enunciation of gender justice and spiritual

autonomy from women and for women'
