'8 reasons you want to touch Black women's hair and why

June 6th, 2020 - you don't want your freedom limited, but in many cases, this reaction isn't about freedom; it's about entitlement. Touching my hair is the perfect example; it's an act that invades my personal space, and if I don't want that, even if you don't understand why, I don't want you to touch my hair. You should respect my choice. I mean, you're trying to..."
