biography life and works

June 6th, 2020 - the popular confusion between genius and
madness is clearer than ever in the biography of joseph
mallord william turner 1775 1851 whereas he had been at
his beginnings an academic painter turner was slowly but
unstoppably evolving towards a free atmospheric style
sometimes even outlining the abstraction which was
misunderstood and rejected by the same critics who had
admired him for''turner the life and masterworks book
