'draykon an epic fantasy of dragons the draykon series

May 15th, 2020 - draykon is well written well edited and a gripping story i m used to reading epic fantasy with big battles and fights between good and evil draykon is very different more like a murder mystery in a fantasy setting the world english portrays with its colourful trees and strange animals made me think of pandora in the film avatar'

'port destiny 1 to pc gt destiny forums bungie net

May 27th, 2020 - yes having destiny 1 on pc would be great and all but you have to remember they arent going to go back to destiny 1 and work on it to bring it to pc thats just a new sense everyone in the munity knows that destiny 1 was better than destiny 2 others can argue but my point is that its going to be too much work to have destiny 1 on pc on top of that you are

basically trapping yourself'

'hive destiny wiki fandom

May 25th, 2020 - the hive are an impossibly ancient race that battled humanity at the end of their golden age they most prominently reside on the moon where they have burrowed deep within its lifeless core carving out a kingdom for themselves they have been silent and buried among many dark and terrible secrets staying there for centuries while growing stronger they serve as a reminder of the tremendous'
