Novel Die Again ? A
April 16th, 2018 - The
focus of my blog is to
review book series and
not individual novels
but writers are going
to continue writing
novels within a series
even after I have done
my review so I plan on
reviewing the
individual novels as

they come into
circulation'

Again? by Tess

Gerritsen The Boston
Globe

December 26th, 2014 -
In ?Die Again ?? Tess
Gerritsen has crafted a
whale of a murder
mystery especially if
you are a big cat
person Having said that
there?s nothing even
close to warm fuzzy and
fluffy to this story
Gerritsen is a writer
who?s never veered too
far from an long
established visceral
path in her writing ? I
have vivid ghoulish
images'
