'Sepp Holzer s Permaculture A Practical Guide to Small

May 4th, 2020 - Sepp Holzer farms steep mountainsides in Austria 1 500 meters above sea level His farm is an intricate network of terraces raised beds ponds waterways and tracks well covered with productive fruit trees and other vegetation with the farmhouse neatly nestling amongst them'

'Sepp Holzer on ponds and wind ponds forum at permies

April 17th, 2020 - The interesting tidbit to share is that for ponds he tries to shape the ponds to go lengthwise with the wind And he tries to get the wind to blow against the pond surface as much as possible This makes for good air exchange in the water so the water can support more life So if the wind blows from the east to the west he will create a long skinny pond that runs in an east west direction'

'Sepp Holzer says plant lots of poisonous plants plants

May 5th, 2020 - The important thing is he uses no wormers on his animals While there are many factors for this one of them is that he keep a rich diversity of plants including poisonous plants When animals need something they are driven by instinct to get a particular flavor of plant that will make them feel better Of course if you pen an animal up and feed it nothing but amp quot purina animal chow'
