overview sciencedirect topics
June 5th, 2020 - o gilad in
encyclopedia of ecology 2008
stochastic events

incorporating stochasticity
into population dispersal has
been introduced by hanski in
1991 demographic
stochasticity is found in
events within the population
that are random and
unpredicted and are
demonstrated by individual
behaviors causing immigration
and emigration into or out of
the population''*stochasticity
