Chemistry World

December 27th, 2019 - At events  
like the AZ symposium it's  
important that academic  
researchers get an insight into  
the types of problems faced by  
medicinal chemists in drug  
discovery as well as those in  
industry being exposed to the  
types of novel synthetic chemistry  
that we bring to bear such that it  
can help them address the complex  
problems posed by'

'Symposium History Chemistry  
December 21st, 2019 - In 1990 91  
Professor Miller took a position  
as a visiting scientist in the  
Chemistry Division of the National  
Science Foundation and from 1992  
to 1995 he served as an NSF  
program officer In this setting as  
well his experience and advice  
were of enormous value to young  
chemistry faculty nationwide who  
were applying for grants to get  
their own research careers  
underway'

'Royal Society of Chemistry RSC UK
