the anti corruption principle by zephyr teachout ssrn

April 6th, 2020 - there is a structural anti corruption principle akin to federalism or the
separation of powers principle embedded in the constitution the constitution was designed in
large part to protect against corruption this structural principle like the other structural
principles should inform how judges do modern political process cases' **'antisocial media
hardcover siva vaidhyanathan oxford**

*May 25th, 2020 - if you wanted to build a machine that would distribute propaganda to millions
of people distract them from important issues energize hatred and bigotry erode social trust
undermine respectable journalism foster doubts about science and engage in massive surveillance
all at once you would make something a lot like facebook of course none of that was part of the
plan'*
