June 7th, 2020 - mid century

modern mcm is the term

applied to objects that were

originally designed during the

middle of the 20th century

roughly 1940s early 1970s

and that are modern in style

and construction aligned with

the modernism movement of

the period the mcm design

aesthetic is typically

characterized by clean simple

lines honest use of materials

and it generally does not

include" ***mid century modern***
