Library Should Use A Library  
Management System

December 26th, 2019 - A library  
management system reduces the  
cost of management The system  
eliminates the need to employ  
many workers and keep different  
manual files thereby reducing  
the cost Additionally one  
librarian can accomplish what  
more than what other several  
others can achieve at a given  
time' '
