genevieve cogman

June 2nd, 2020 - i can now reveal book seven of the library series the dark archive this is the us cover below publication date should be december 2020 though insert the usual caveats about how nothing is certain the universe may yet crumble etcetera'

'bastian s book reviews review the mortal word by

April 21st, 2020 - the mortal word is the fifth novel in the invisible library

series i happen to be a huge fan of the series and have been since the start in fact a small quote from my review of the invisible library adorned the second novel as a recommendation blurb which i was delighted about when i saw it so it won't be a huge surprise that i enjoyed the mortal word'

'goguru the mortal word

May 21st, 2020 - s software has been gently pushing the invisible library series at me i should definitely pay more attention the mortal word came up as a kindle special offer at 99p and i thought why not and i have been hooked the mortal word stands up well as the first book to read considering it is the fifth in the series'

'the mortal word by genevieve cogman librarything

May 12th, 2020 - the mortal word by genevieve cogman is the fifth book in the invisible library series as with the

first book this story has a lot going on a lot of characters and a lot of plot lines underlie the main mystery'

'review of the mortal word by genevieve cogman fantasy cafe

June 3rd, 2020 - irene s adventures practical approach and logical yet amusing observations make the invisible library series incredibly fun and i enjoyed the first four books immensely however i did feel that the mortal word did not play to the series strengths as well as the previous novels and is therefore the weakest of the five despite the readability of the first and final few chapters'
