May 28th, 2020 - 1 2007 was the first year that americans sent and received more text messages than  
phone calls but you might not have guessed that from reading that year s literary fiction which  
included novel debuts from the likes of junot díaz joshua ferris and dinaw mengsetu as well as new  
work from more established authors like don delillo annie dillard dave eggert and philip roth''
