May 12th, 2020 - note this is the 2nd book in the boundary magic uf series and the prequel would be a better place to start anyway there ll be spoilers for events in the first book and i remend to read malediction which would be 1 5 in the series it provides interesting background info for boundary lines review"empson s sacred mountain poetry criticism and love

May 25th, 2020 - to be sacred it is necessary to accept isolation and loneliness the rule for a sacred mountain empson explains is that it

must be isolated so that people from all round can see the home town 11 the dialectic of the two fates would be another example of emponian paradox the opposed ideals of personal immortality and of extinguishing yourself or merging into a world soul'
