'very berry rhythm part 1 joe deloro guitar lesson

May 14th, 2020 - like most established musical styles bluesrock is easier to play than it is to understand although expressed in two words its a varied mixture of many elements in order to understand it you need to know the necessary historical roots the underlying music theory and then connect the dots and those dots take a fair amount of effort

**to locate since theyre mostly found on an
obscure musical map"**
