April 3rd, 2020 - at once a guidebook to pessimistic thought and a  
relentless critique of humanity s employment of self deception to  
cope with the pervasive suffering of their existence the conspiracy  
against the human race may just convince readers that there is more  
than a measure of truth in the despairing yet unexpectedly liberating  
negativity that is widely considered a hallmark of ligotti s  
work''the conspiracy against the human race a therapeutic work  
May 23rd, 2020 - in the conspiracy against the human race we have a  
horror writer of immense skill bringing all his ts to bear in  
exploring the idea that the self we imagine the person we believe

---

looks out'

**'true detective amp the conspiracy against the human race**

May 21st, 2020 - in conspiracy against the human race ligotti draws heavily on an essay by the norwegian philosopher peter wessel zapffe in the last messiah 1933 zapffe argues that evolution has granted to humanity an excess of consciousness that has e to weigh it down with knowledge of tragedy and death''**the conspiracy against the human race**  
**modern mythology**

May 27th, 2020 - as i read the conspiracy against the human race i had a strange feeling as if deja vu and vertigo were somehow copulating in an itchy place behind my eyes yet that disturbing familiarity regards what most consider an utterly useless process reading or writing about philosophy has long had a negative connotation in the united states thanks to a long anti intellectual culture in some corners'
