history martinique

facts destination360

May 29th, 2020 -

martinique facts indicate the indians had named the island madinina which is interpreted as meaning island of flowers in the indians native caribbean tongue those studying martinique history argue that the name is one taken from saint martin while others still argue that the martinique es from the original name of

madinina' '**martinique**
wikitravel

June 1st, 2020 - martinique is a caribbean island that is an overseas department of france in the caribbean sea north of st lucia and south of dominica the island is dominated by mount pelee which on

8 may 1902 erupted
and pletely
destroyed the city
of saint pierre
killing 30 000
inhabitants in the
south of the island
there are many
beautiful beaches
with a lot of
