***how to finish weaving on a
rigid heddle loom***

June 4th, 2020 - the exact

process of finishing your weaving and removing it from the loom depends on the loom you are using but if you are using one of the looms for beginners such as a lap loom or rigid heddle loom you will always have to secure the end of the weft thread to make sure

*it doesn't unravel normally
this is done by using a tapestry
or weaving needle'*
