May 5th, 2020 - easyeda team will provide more details of the easyeda source soon to show how you can edit and even create drawings schematics symbols footprints and pcb layouts in easyeda source it is also possible to copy and edit symbols straight out of a schematic and save them as new schematic lib or spice symbols and even to create a new spice subckt from a schematic'

'marabou stork nightmares by irvine welsh librarything

April 21st, 2020 - possibly one of my favourite ever book titles and truly nightmarish too narrated by a man in a a it starts out as a trip through south africa on the trail of the eponymous stork but it quickly bees clear that this is nothing more than an imaginary smokescreen to obscure the real story of squalid violence that led to him being in a a in the first place'
