books october 22 2013 40 he takes us on a
guided tour of his innovative editorial
images and iconic portraits engagingly
illuminated by his insightful and highly
personal perspective'

'gregory heisler 50 portraits stories and
techniques from

May 25th, 2020 - the premise of the book
is that gregory heisler discusses 50
portraits creating an essay for each
photograph and often contrasting the
image with a second image from the same
shoot the first part of each essay is
about the shoot itself telling a story as
much about the photographer and his

thoughts about a shoot and often the story behind it'
