approach to giving birth
naturally**

**June 1st, 2020 - in this
way even the most
difficult birth can be a
positive experience
preparing for an active
birth during pregnancy**

**will lessen the
likelihood of complications
arising it will also
ensure that you
approach the birth of
your baby in optimal
health which will
enhance and hasten
your recovery whatever
happens"the meaning
of a very positive birth
experience focus**

June 5th, 2020 - the experience of giving birth has long term implications for a woman's health and wellbeing. The birth experience and satisfaction with birth have been associated with several factors and emotional dimensions of care and been shown to influence women's overall

assessment

individualized emotional support has been shown to empower women and increase the possibility of a positive birth'
